LIFE WITH **EXPERIENCE**

Absolvent of Electronics of Microsystems and Photonics at the Wrocław University of Technology. For nearly 20 years associated with the Internet industry.

The analytical mind and many years of experience in working with clients allowed him to master the difficult art of optimal budget management to perfection. Co-founder of the creative agency John Weston Group, where he manages the team responsible for creating brands, designing image communication, planning and implementing campaigns, marketing strategies for companies and non-governmental organizations. His specialty is the introduction of modern tools and solutions that help customers achieve better business results.

In private life - dad of the 1.5-year-old Jania, passionate about long-distance running. Baseball enthusiast.
